2017 ADHD Research Day in Québec City, Canada

***** Deadline EXTENDED: April 30, 2017 *****

Why Submit?

The meeting brings together researchers, clinicians and students from a wide variety of disciplines to share knowledge, discuss innovative research findings, and develop new collaborative research projects in ADHD.

Who can Submit?

Oral (English only) and poster (English or French) submissions are invited from multidisciplinary researchers, clinicians and students.

How to Submit?

All submissions must be made online at caddra.societyconference.com
For any further information, please email conference2017@caddra.ca

*** IMPORTANT INFORMATION ***

- * Oral presentations for independent researchers will be for 30 minutes (including Q&A), trainee/student presentations will be 15 minutes (including Q&A).
- * Original and new research is required. Submissions must not have been previously presented. Data and results should be completed. Expected data or results to be determined are not acceptable.
- * Poster presentations will undergo a blind peer review.
- * Industry submissions will be subject to a \$500 fee if accepted.
- * All financial disclosures must be transparent.
- * All presenters must register for the meeting by June 30.

Students are invited to apply for one of ten \$500 Travel Awards from Kids Brain Health Network (restrictions apply) and for one of two CADDRA Poster Awards.
